

MISSION·VISION·VALUES

MISSION

To provide reliable, safe, and patient-centered care through innovative and efficient care delivery models.

VISION

To be the most respected and admired healthcare services organization in the nation.

VALUES

RESPECT

- R • Respect and Compassion:** We pledge to treat every Maxim team member, patient, and client with the utmost respect and dignity. We also recognize that Maxim is in the business of improving lives, and as a result, we expect that every team member exhibits heartfelt compassion and empathy in every interaction, every day.
- E • Enterprising Work Ethic:** We promote personal and organizational progress through innovating and incorporating leading practices.
- S • Service Excellence:** We promise and deliver quality service to meet and exceed the needs of patients and clients.
- P • Passion and Professionalism:** We work with purpose, optimism, and urgency to make the best decisions each and every time.
- E • Ethical Behavior and Integrity:** We are dedicated to the highest level of compliance and personal integrity. We believe in doing the right thing and expect this behavior from others.
- C • Continuous Growth and Improvement:** We are focused on today and tomorrow. We embrace change and utilize the best people and processes to improve ourselves and our services.
- T • Teamwork and Partnership:** We encourage cooperative efforts at every level and across all operations. We share knowledge and best practices and welcome honest and constructive feedback. We live by the team rule.
